1. Go to transferology.com and create an account. Help videos are available.

2. Log in.

3. Load in your earned credits from your current university. Click on “Search for Matches.”
4. You will transition to this screen.

5. Filter for “Ohio State University” and click on the “Match” box.
6. This opens to information about Ohio State. Click on “Apply Courses to a Program.”

7. Search for the Program/Major:
8. Click on the link of your desired OSU major.

9. Click the box “See how your courses might apply to this program.”

10. Click “Go”
11. Allow Degree Audit Report to generate. You know it is ready when there is a green check under STATUS.

12. Review the Degree Audit Report. This is a review of all the requirements for this particular degree. If a requirement is fulfilled it would say “OK” next to it. If a requirement is not fulfilled by transfer credit, it would say, “NO” next to it.
