**Camp Nuhop**

**Company Overview:** Located in southern Ashland County, Ohio, Camp Nuhop is a week-long residential summer camp and respite program for children diagnosed with (but not limited to) ASD, ADHD, learning disabilities, mood disorders, and other neurodiversities.

Camp Nuhop provides a structured environment where all campers have the opportunity to make friends and feel good about themselves. Our mission is to provide a safe, nurturing, and dynamic learning environment where children are empowered to succeed. Campers are placed with an understanding staff who incorporate self-awareness and social skills in a safe, fun environment.

Outside of our summer camp program, we also offer a residential outdoor education program during the spring and fall that works with middle grade students from across the state of Ohio.

**Type of Employer:** Education

**Contact Person:** Becca Mitchner

**Contact Email:** becca@nuhop.org

**Employer Address:** 1077 Township Rd 2916, Perrysville, OH 44866

**Position Information:** We are recruiting for both summer camp counselors and outdoor education instructors.

Counselors work in teams of 3 with 8 campers to ensure the safety of campers and provide exciting programming that is adapted to each camper's individual needs. Our traditional program includes all-day hikes, canoeing, swimming, slip and sliding, and other exciting activities!

Counselors are responsible for organizing, planning, and facilitating individual sessions, as well as handling day-to-day interactions with our campers. This includes overnight responsibilities to maintain appropriate supervision of campers. Counselors should have a positive attitude, as well as an understanding of children with special needs and the outdoors.

Instructors work during the spring and fall to facilitate outdoor education curriculum to general classroom students. This includes geology, ecology, canoeing, hiking, and stream team building. Instructors are responsible for organizing their lesson plans, maintaining the emotional and physical safety of students, and other day-to-day interactions with campers. This includes overnight responsibilities to maintain appropriate supervision of campers.

Mansfield Plumbing Products

Company Overview: Mansfield Plumbing Products (MPP), founded in 1929, is the leading United States producer of top quality, high design, performance plumbing fixtures and fittings for use in residential, commercial and institutional markets. In 2004, MPP was purchased by Corona, the western hemisphere's largest manufacturer of china, based in Colombia, South America. Its corporate office is located in Perrysville, Ohio.

MPP precision manufactures sanitaryware utilizing highly automated production processes at their Perrysville, Ohio plant. A second facility in Henderson, Texas, manufactures acrylic bathware. With more than 600 employees, the company is one of the largest domestic producers of sanitaryware and is proud to stamp many of its products with “Made in the USA”. To ensure the highest quality, stringent quality control standards and extensive testing is applied to every product made.

Recognized for a strong commitment to service, quality and value, MPP is considered the “Brand of Choice” for professional plumbing contractors and consumers alike.

The current line of products include: vitreous china toilets, lavatories and urinals; and acrylic air-baths, whirlpools, bathtubs and shower bases.

MPP plumbing fixtures and tank trim are available through one of the industry’s most extensive networks of more than 4,000 distributors with locations throughout the U.S., Puerto Rico, and Canada. Additionally, the Company’s plumbing
products are sold through selected retail, do-it-yourself home improvement centers and through designer kitchen and bath showrooms.

Since 2002, Mansfield has successfully introduced more than 100 new products. The management team continues to implement a variety of key initiatives to support the company’s strategy of producing affordably priced, beautifully styled products.

Today, Mansfield is rapidly expanding its presence with continued growth in the wholesale, commercial, and retail markets. The company is well positioned for the future thanks to its strong reputation, consistent availability, and commitment to product development.

Ohio Mutual Insurance

**Company Overview:** Based in Bucyrus, Ohio, Ohio Mutual Insurance Group traces its roots to 1901 when the Ohio Mutual Tornado, Cyclone and Windstorm Insurance Association began providing insurance to property owners across Ohio.

In 2003, we sold our first policy outside of Ohio to a business owner in Rhode Island. Ohio Mutual added five states in New England, largely due to our 2010 acquisition of Maine-based Casco Indemnity Company and added our full line of products to Indiana in 2019. Ohio Mutual currently writes nearly $300 million in premiums each year — covering homes, autos, farms and commercial properties in seven states.

Type of Employer: Non Profit

Contact Person: Jonathan Patton

Contact Email: raemeltontec@gmail.com

Employer Address: 569 South Trimble Road Mansfield, Ohio 44906

Position Information: Marketing and Website Design Interns assist administration with online marketing and social media. Not only will the right candidate be able to help us with building media communications with our staff, volunteers, students, and potential donors, but also be able to educate staff on these skills as well.

Our general intern will assist staff with administration tasks, barn chores, maintenance, marketing, and even the technical aspects of our class. This is a very hands on internship that provides a very unique atmosphere for students in social services and mental health. Many of the organizations that are not governmental tend to be Non-Profit and this will provide a student with experience on the behind the scenes challenges of a Non-Profit structure including grant writing and fundraising.
