

WHEN CAN I SCHEDULE CLASSES

Every current student is assigned an Enrollment Appointment which indicates when you are eligible to schedule classes. If you do not know when your Enrollment Appointment opens for scheduling, please go to your Buckeye Link. Look in the “Enrollment Information” box on the right side. Click on “Details” and then select the appropriate term and you will then see the date and time when your Enrollment Appointment begins.

The image shows a screenshot of a web interface. At the top, there is a dark blue header with a white downward-pointing triangle and the text "Enrollment Information". Below this header, the text reads "Enrollment Appointment" followed by "You may begin enrolling for the Autumn 2021 Regular Academic Term session on April 26, 2021." A red circle highlights a button labeled "Details" with a right-pointing arrow. To the right of the "Details" button is a large green arrow pointing left towards the button. Below the "Details" button are three blue underlined links: "Schedule Planner", "Degree Audit", and "Enrollment Verification".
